Bréf frá Samherja hf. til Verðlagsstofu skiptaverðs

**SAMHERJI HF**

Gillegata 30 - 600 Akureyri - P.O. Box 4  
Tel. +354 460 9000 Fax. +354 460 9077  
E-mail: 610291@stj.vef.is

Verðlagsstofa skiptaverðs  
b.t. Guðna H. Sigríðssonar  
Oskleyrarskála v/Strandgötu  
600 Akureyri

Akureyri, 28. ágúst 2011

Vísad er til bréfs Verðlagsstofu skiptaverðs dags. 10. ágúst 2011 vegna uppgjörs á Björguflá EA-312 á tímabilinu janúar-febrúar 2011.

Eins og fram kemur í bréfi Verðlagsstofu var umræddur afli seldur til dótturfélags Samherja í Cuxhaven. Í öllum tilfellum er uppgjörsverð i samnæmi við fiskverðssamning útgerðar og áhafnar og uppgjörsverð hið sama eða hærra en viðmiðunaverð Verðlagsstofu skiptaverðs á heim tíma. Samherji hf. telur sig því hafa uppfyllt skyldur sínar m.t.t. fiskverðssamningsins.

Í lyri samskiptum Samherja og Verðlagsstofu hefur komið fram að "þegar reikningur er sendur til Fiskistofu þá er búið að setja inn í verðið flutningskostnað". Þegar fiskur er fluttur út þarf að gera grein fyrir verðmæti hans til tolls og Fiskistofa fór fram á að fá þær upplýsingar. Samherji hefur því gert útflutningsreikning, slíðan á dótturfélag sítt í Cuxhaven, með verði sem samanstendur af uppgjörsverði til áhafnar ásamt flutningskostnaði og öðrum kostnaði sem til fellur við að flytja fiskinn á ákvörðunarstað erlendis.

Væri það verð sem fram kemur á útflutningsreikningi Samherja notað við uppgjör til áhafnar yrði niðurskiðan sú sama, enda er sérstaklega um það fjallað í kjarasamningi hverjum skuli reikna skiptaverð þegar afli er fluttur omanum í gámi á ákvörðunarstað erlendis.

Í grein 1.29.3 í kjarasamningi Landsambands Íslenskra Útvegsmanna og Sjömannasambands Íslands sem fjalla um alla seldan í gámum erlendis segir m.a. "Af heildarverðmæti (brúttósöluverði) skal draga frá flutningskostnað, erlenda tolla og kostnað við sölna erlendis annan en umboðslau." Einnfremur segir seinna í sömu grein: "Áður nefndir frádráttarliðir eru nánar sundurliðaðir þessir Flutningskostnaður: Flutningur innanlands til útskipunarhafnar, útskipun, váttrygging, flutningur á ákvörðunarstað, gámalceiga og vörugjald innanlands. Erlendir tollar: Eins og þeir eru á hverjum tíma. Erlendur kostnaður: Uppskipun, kranaleiga, leigupláss, meðhöndlun, verkamannakaup, vatn og uppboðskostnaður."

Með þessu bréfi er vonast til að gefnar hafi verið fullnægjandi skýringar á málinu. Ef hins vegar frekari upplýsinga er óskað þá vinsamlega hafið samband við undirritaðan.

Virðingarfyllt, E.h. Samherja hf.

  
Unnar Jónsson
